

Wellesley Parents:

Help Fund Our Fields!

We still need donations to fund the Sprague Fields Complex.

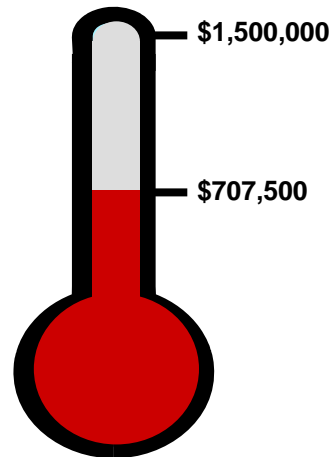

A town-wide resource for k-12 youth sports:

- 2 all-weather turf fields (soccer, lacrosse)
- 3 refurbished multi-purpose grass fields
- 3 baseball and softball diamonds
- 1 new area suitable for field hockey

Over 6,300 kids compete each season, so the improved space makes a big difference to youth sports now and for many years to come.

Sprague is now a much safer space for our kids to play and is a much more efficient use of the space with all-weather surfaces!

Please donate today!

Thank you for your donations— every dollar counts!

Our youth sports programs are responsible for raising these funds through donations and field fees. As a heavy user of the fields, Wellesley Soccer must do its part.
